The easement will be granted to Williams Island Venture, LLC.

Scope

This agenda item is a non-exclusive temporary grant of easement for an eighteen foot wide ingress-egress easement located in District 1.

Fiscal Impact/Funding Source

There is a positive fiscal impact of \$10.00 to the County as there is a one-time payment in the amount of \$10.00 from Williams Island Venture, LLC to the County for the temporary easement. A funding source is not required as the County is the recipient of the one-time payment of \$10.00.

Track Record/Monitor

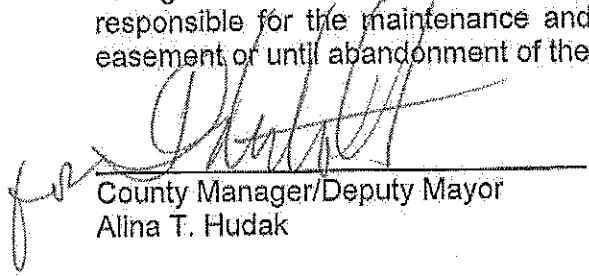

WASD's Real Estate Manager will record this grant of easement in the public records of Miami-Dade County.

Background

Williams Island Venture, LLC has requested an eighteen foot wide non-exclusive temporary grant of easement on Folio Number 30-2206-000-0070.

Williams Island Venture, LLC is doing a construction and development project on land it owns that is adjacent to the County's Property. Williams Island Venture, LLC needs a non-exclusive temporary easement from the County with the full right of ingress thereto and egress therefrom in order to access its own property while the construction and development project is going on. The non-exclusive temporary easement will be located fifteen feet from the east side of the fence that bounds Pump Station #318, and under the terms of the grant of easement, Williams Island Venture, LLC will ensure that the County continues to have unblocked access to the pump station at all times.

This grant of easement will be for a period of five years. Williams Island Venture, LLC shall be responsible for the maintenance and repair of the easement property during the term of the easement or until abandonment of the easement, whichever comes first.

The EASEMENT is being granted in order to access a property owned by the GRANTEE that is adjacent to the EASEMENT, during the construction and development of said property, with the full right of ingress thereto and egress therefrom on the express condition that it is used for the express purposes provided herein.

The GRANTEE shall use the right of ingress thereto and egress therefrom across the EASEMENT so as not to conflict with normal operations of the GRANTOR. The GRANTEE shall keep a controlled access through a locked gate on the south side of the EASEMENT as it

now exists. Additionally the GRANTEE shall assure permanent unblocked access to the GRANTOR's facilities (Pump Station # 318) located on the property owned by the GRANTOR.

This temporary EASEMENT shall be granted for a period of five (5) years after execution of this EASEMENT by the Miami-Dade County Mayor or his designee. Should the construction and development of the property owned by the GRANTEE adjacent to the EASEMENT be substantially completed or should the EASEMENT be abandoned or discontinued by the GRANTEE before this five (5) year period expires, the EASEMENT will automatically cease and be surrendered without the necessity of any further action by GRANTOR and GRANTEE will no longer have any access rights to the EASEMENT.

The GRANTOR does hereby affirm that it has full power and authority to grant this EASEMENT and GRANTEE accepts the property in "as is" condition. The GRANTEE agrees it is responsible for the maintenance and repair of the EASEMENT property during the five (5) year term of the EASEMENT or until abandonment of the EASEMENT by GRANTEE, whichever occurs first.
